

Privacy Notice Regarding Photos and Videos Taken at IREB Local Community MeetUps

Photographs and videos are taken during IREB Local Community MeetUps. These recordings may be published in full or in excerpts on social media channels (including LinkedIn, Instagram, and other platforms), as well as on the website and in other communication media of IREB GmbH and the respective local event partner, for the purpose of reporting on the event. The specific partner for each event is listed on the respective registration page.

By participating in the event, you acknowledge that you may be visible in these recordings and that they may be published accordingly. The processing is based on our legitimate interest in reporting on the event in accordance with Article 6(1)(f) of the GDPR.

If you do not consent to the publication of any images, please contact the on-site organizing team before or during the event so that we can take this into account when selecting images. You also have the right at any time to object to the processing of your data pursuant to Article 21 of the GDPR; any material that has already been published will then be removed to the extent reasonably possible.

Further information on data protection and your rights (e.g., access, objection, erasure) can be found in our Privacy Policy, which is available upon request from the event team or can be viewed on the respective website.

If you have any questions regarding data protection, please feel free to contact the organizing team or info@ireb.org.
